**San Francisco, CA ... July 10, 2003.** Dropwise Essentials, a local manufacturer of pure aromatherapy and all natural personal care products announced today that San Francisco's premiere French restaurant **Fleur de Lys** has chosen its gentle cleansing liquid soaps and nourishing hand and body lotions for its restroom dispensers.

The award-winning restaurant --known for its combination of outstanding cuisine and beguiling ambiance-- chose **Dropwise** products to complement the elegant and opulent dining experience that has kept **Fleur de Lys** at the forefront of San Francisco's fine dining establishments.

"We were looking for a high quality scented hand lotion for our Ladies' room when we learned of **Dropwise** and its products," says **Fleur de Lys** owner **Chantal Keller**. "The aromatherapy lotion is one of the best I've tried and the soaps are equally delightful --a wonderful addition to both the Ladies' and Mens' rooms. We are very pleased with the products and the response from our customers has also been very enthusiastic."

Considered the most romantic dining room in San Francisco, **Fleur de Lys** has played host to the City's finest for over 45 years. Maurice Rouas, who took over ownership in 1970, offered the world-renowned chef, Hubert Keller a partnership in the restaurant, which Keller accepted in the summer of 1986. Over the years, the duo has taken the nation by storm, setting the highest standards in fine dining, rivaled only by the top restaurant of France.
